

Domine, salvum fac regem

Domine salvum fac regem.
 Desiderium cordis eius tribue ei,
 et voluntate labiorum eius noli fraudere.
 Posuisti in capite eius coronam,
 et prævenisti eum in benedictionibus,
 quoniam in misericordia tua speravit.
 Da ei victoriam contra hostes suos
 et longitudine dierum reple eum
 semenque eius maneat semper in
 sæculum et in sæculi.

O Lord, save the King.
 Grant him his heart's desire:
 and do not deprive him of the desire of his lips.
 Thou hast set a crown upon his head,
 and thou hast gone before him with blessings,
 as he trusts in thy mercy.
 Give him victory over his enemies
 and the length of his days,
 that his seed may endure
 for ever and ever.
